August 20, 2018

Dear CAHA Families,

It is with a heavy heart that I am writing this letter. Due to family reasons, I will be moving to San Diego, California this September. The timing for this move has come much faster than initially thought and this has been a very difficult decision for me.

I am truly thankful for the privilege of being a part of the care of your children. I have loved watching your children grow and enjoyed getting to know all of you. I feel lucky to have been a part of such a nice community. Due to my number of years at CAHA, I have been able to see some children from birth to senior year of high school!

We are currently searching for my replacement. In the meantime, my dedicated and caring physician colleagues will be able to care for your children. It is a great comfort to know that your children will be in excellent hands. Many of you have probably met my colleagues for different visits and know how wonderful they are.

While I have been able to personally say good bye to many, I am very sorry that not everyone is able to receive a personal good bye. One of the hardest parts about leaving this practice is leaving all of your great families. Please feel free to call me prior to my departure September 19, 2018 with any concerns.

Thank you for your understanding!

I will miss you!

Sincerely,

Karen L. Wilson, MD
